APPROVE FORMER TENURED TEACHER SUSAN BALEY'S BACK PAY

THE GENERAL COUNSEL REPORTS THE FOLLOWING:

DESCRIPTION: Dismissal charges were filed against Susan Baley in 2008 for allegedly refusing to allow a special education student to enter Tilden Career Community Academy because she was not in uniform. The student allegedly became lost and ended up sleeping in a park. Pending the dismissal hearing, Baley was suspended without pay on November 21, 2008.

After a dismissal hearing, Hearing Officer Dennis Stoia issued a decision on August 31, 2009, recommending the reinstatement of tenured teacher Susan Baley and ordering the Board of Education of the City of Chicago to make her whole for all lost wages and benefits. While the Board accepted hearing officer Stoia's recommendation to reinstate Baley, it issued Baley a 30-day suspension and Warning Resolution on October 28, 2009, due to her gross negligence and insubordinate actions.

In lieu of returning to the teaching ranks, Baley resigned from the Board effective November 17, 2009. Nonetheless, the Board owes Baley back pay, less mitigation, for the time period of November 21, 2008 through November 17, 2009.

Additionally, Baley challenged the 30-day suspension and Warning Resolution that the Board issued to her in the Circuit Court of Cook County. After briefing and arguing the case, on October 6, 2010, Judge Rita Novak ordered that the suspension and Warning Resolution be rescinded. This is a final order.

After taking into consideration amounts received in mitigation of her losses, the final back pay owed to Baley is as follows:

- a) Back pay amount of \$67,662.95, less legally required deductions; and
- b) Pension contribution of approximately \$4,736.41.

The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

ORIGINAL AGREEMENT: The original Charter School Agreement (authorized by Board Report 97-1217-EX2) was for a term commencing July 1, 1998 and ending June 30, 2004 and authorized the operation of a charter school serving no more than 750 students in grades K – 12. The charter school was located at 3141 W. Jackson. The charter and Charter School Agreement were subsequently renewed for a term commencing July 1, 2004 and ending June 30, 2009 (authorized by Board Report 04-0225-EX2)

The agreement incorporates an accountability plan where the school is evaluated by the Board each year based on numerous factors related to its academic, financial and operational performance

CHARTER RENEWAL PROPOSAL: Alain Locke ~~Charter Academy~~ Charter School submitted a renewal proposal on September 5, 2008, to continue the operation of the Alain Locke ~~Charter Academy~~ Charter School under a unified mission. The Charter School shall serve grades K -8 with a maximum student enrollment of 617 students.

The original charter school agreement authorized serving students in grades 9 through 12. The charter school will be required to submit a proposal through the New Schools Selection Process for evaluation and Board approval, and a public hearing will be required before being authorized to serve high school students.

Alain Locke ~~Charter Academy~~ Charter School has operated a pre-kindergarten program since 2005. The current authorization for this program is pursuant to Board Report No. 08-0602-ED3 #6. The Board supports the continuation of the pre-kindergarten program at Alain Locke ~~Charter Academy~~ Charter School for the duration of the charter school renewal term, subject to the availability of funding and applicable state laws and regulations. The pre-kindergarten program will continue to be funded pursuant to separate agreements consistent with procedures established by the Office of Early Childhood Education.

In November 2010, Alain Locke notified the Office of New Schools that the name of the charter school was incorrect. This amendment reflects the correct name for Alain Locke.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of Alain Locke's performance and operations. This evaluation included a review of the proposal, facilities surveys, governance analysis, and financial analysis. A public hearing was conducted on Thursday, April 16, 2009 to receive public comment on the application to renew the Charter School Agreement with Alain Locke ~~Charter Academy~~ Charter School for an additional five years. In addition, the Office of New Schools evaluated the school's student performance. From 2004-2005 to 2007-2008, Alain Locke ~~Charter Academy~~ Charter School received 16 out of 23 high ratings and 6 out of 23 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. From 2004-2005 to 2006-2008, Alain Locke's

student attendance averaged 93.2%. From 2005-2006 to 2006-2008 the percentage of students meeting/exceeding state standards on the ISAT Composite increased by 8.9 percentage points (from 72.1% to 81.0%). The charter school also met Adequate Yearly Progress targets for all years eligible (2004-2005 through 2007-2008). The committee recommends that, based on the school's performance on these and other accountability criteria, Alain Locke be authorized to continue operating as a charter school.

RENEWAL TERM: The term of Alain Locke ~~Charter Academy~~ Charter School's charter status is being extended for a five (5) year term commencing July 1, 2009 and ending June 30, 2014

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement. Authorize the Executive Officer of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report

FINANCIAL: The financial implications will be addressed during the development of the 2009-2010 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY10 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. The cost of this enrollment will be approximately \$ 3,664,363.00 in 2009-2010.

Once the new Gage Park and Academy High Campuses anticipated to open in the fall of 2010 and the fall of 2011 respectively are ready for occupancy, the Office of New Schools will propose amended Board Reports providing the full address for each of those campuses. The Charter School Agreement will be amended consistent with those amended Board Reports.

CONTINGENT APPROVAL: Approval to open the two new elementary school campuses in the fall of 2011, two new elementary school campuses and one high school campus in the fall of 2012 and the execution of an amendment to the Charter School Agreement are contingent upon a final review and approval of the new elementary school and high school campus proposals, an assessment of the District's need for this charter school campuses based upon demographics and student demands, any required subsequent public hearings, and Board approval of the proposed school site. These benchmarks will be communicated to the school operator in a formal Letter of Conditions with all deadlines to be met by March 15, 2011 for 2011 campuses and March 15, 2012 for 2012 campuses. The Office of New Schools will oversee the enforcement of these deadlines; failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the approval to open this new campus. A final review of this new campus proposal will be conducted by the Chief Executive Officer on or before April 15, 2011 or April 15, 2012 to determine final approval or denial of the new campus proposal and satisfactory resolution of all material issues related to the opening of the new elementary school campus.

The obligation to secure and prepare an independent facility for the two elementary school campuses opening in the fall of 2011, two new elementary school campuses and one high school campus in the fall of 2012 is the responsibility of the charter school. The Board is not undertaking any responsibility for securing a facility in the event the charter school is unable to do so.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of UNO's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the three campuses in which teaching and learning, leadership and governance, and the learning communities were assessed. Public hearings were conducted on January 9, 2008 and May 13, 2008 to receive public comment on the application to renew the Charter School Agreement with UNO Charter School Network for an additional five years. There was no public testimony, oral or written, from anyone in opposition of the renewal of UNO Charter School. In addition, the Office of New Schools evaluated the school's student performance. From 2003-2004 to 2006-2007, UNO received 22 out of 38 high ratings and 16 out of 38 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. Since 2003-2004, the charter schools attendance rate has averaged 94%. From 2003-2004 to 2006-2007, the percentage of students meeting/exceeding state standards on the ISAT Composite has increased by 10.3 percentage points (61.3% of students meeting/exceeding state standards to 71.6%). The charter school also met Adequate Yearly Progress targets for four consecutive years (2003-04 to 2006-07). Looking across all of the school performance indicators, UNO Charter School can be categorized as "Meeting Standards" for achieving pupil performance standards using the framework put forth by the district for assessing charter school pupil performance. The Office of New Schools recommends that, based on the school's performance on these and other accountability criteria, UNO Charter School be authorized to continue operating as a charter school.

RENEWAL TERM: The term of UNO Charter School Network's charter agreement is being extended for a five (5) year term commencing July 1, 2008 and ending June 30, 2013.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement and amendment. Authorize the Acting Executive Officer of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report

FINANCIAL: The financial implications will be addressed during the development of the ~~2010-2011~~ 2011-2012 and 2012-2013 fiscal year budgets. The cost of UNO Charter School's total enrollment will be approximately \$32,910,000.00 in 2010-2011. If UNO Charter School applies to the Renaissance Schools Fund for funding for the new elementary school campus opening in the fall of 2011 and is not approved for such funding, the Board shall provide a one-time payment to the campus for planning positions in an amount not to exceed \$170,000.00.

A public hearing was conducted on Monday, March 8, 2010 and Friday, April 9, 2010 to receive public comment on the application to renew the Charter School Agreement with Erie Elementary Charter School for an additional five years. In addition, the Office of New Schools evaluated the school's student performance. From 2005-2006 to 2008-2009, Erie Elementary Charter School received 4 out of 13 high ratings and 8 out of 13 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. CONTINGENT APPROVAL: Approval to open the 2011 and 2012 campuses and the execution of an amendment to the Charter School Agreement are contingent upon a final review and approval of the new campus proposals, an assessment of the District's need for this charter school campuses based upon demographics and student demands, any required subsequent public hearings, and Board approval of the proposed school site. These benchmarks will be communicated to the school operator in a formal Letter of Conditions with all deadlines to be met by March 15, 2011 for the 2011 campus and March 15, 2012 for the 2012 campuses. The Office of New Schools will oversee the enforcement of these deadlines, failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the approval to open this new campus. A final review of this new campus proposal will be conducted by the Chief Executive Officer on or before April 15, 2011 or April 15, 2012 to determine final approval or denial of the new campus proposal and satisfactory resolution of all material issues related to the opening of the new middle/high campuses. The obligation to secure and prepare an independent facility for campuses opening in the fall of 2011 and 2012 is the responsibility of the charter school. The Board is not undertaking any responsibility for securing a facility in the event the charter school is unable to do so.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of the CCSF's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of multiple CCSF campuses in which teaching and learning, leadership and governance, and the learning community were assessed. In addition to the foregoing, the Office of New Schools evaluated the school's student performance. From 2002 to 2006, CCSF received 13 out of 22 high ratings and 5 out of 22 middle ratings on their absolute student performance indicators. On the 2006 ISAT, 67.40% of CCSF students met or exceeded state standards. Finally, the school experienced a high attendance rate of 94.4% in 2005-2006.

A Comprehensive Evaluation Team ("CET") was convened to review the evidence and make a recommendation regarding the renewal of the school. Based on the school's performance on these and other accountability criteria, the CET recommends that Chicago International Charter School be authorized to continue operating as a charter school.

**APPROVE THE 2010-2012 SCHOOL IMPROVEMENT PLANS FOR SCHOOLS ON PROBATION AND
FOR SCHOOLS WITH SCHOOL IMPROVEMENT STATUS**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

Approve the 2010-2012 School Improvement Plans for Advancing Academic Achievement (SIPAAAs) for schools on probation and for schools with state or federal school improvement status.

DESCRIPTION: The Chief Executive Officer is requesting approval of the SIPAAAs for correcting academic deficiencies for the 434 schools noted on the attached Exhibit A as required by ISBE. These schools are on probation and/or are in school improvement status for the 2010-2011 school year. This includes the 28 schools with Corrective Action status under NCLB that have developed corrective action plans. Exhibit A excludes schools that closed at the end of the 2009-2010 school year and schools for which a two-year SIPAAA was approved through Board Report 10-0125-EX5.

The SIPAAAs were developed pursuant to Sections 5/2-3.25d and 5/34-2.4 of the Illinois School Code. Board approval of school improvement plans is required for schools placed on probation pursuant to Section 5/34-8.3 and schools designated by the Illinois State Board of Education (ISBE) as being in school improvement status pursuant to Section 5/2-3.25d. These plans include specific steps that the Local School Councils and school staff must take to correct deficiencies and specific objective criteria by which the schools' subsequent progress shall be judged. For schools in Corrective Action, corrective action plans were developed pursuant to Section 1116(b)(5)(7) of the No Child Left Behind Act and included in the SIPAAA.

Individual SIPAAAs were developed collaboratively at each school with the assistance of the Chief Area Offices, AMPS Office or the Office of New Schools, the Office of Management and Budget, Local School Councils, parent and community representatives, and school personnel. Each school's SIPAAA includes specific expenditures directly calculated to correct educational and operational deficiencies that resulted in the school being placed on probation or in school improvement status. Schools appended to the SIPAAA, as applicable, a Parent Compact and Parent Involvement Policy, technology plan, attendance plan and for high schools, Advanced Placement (AP) plan. Many plans included the following actions: implementing new reading and mathematics programs, providing professional development, implementing reduced class size, purchasing instructional materials, and teaching reading at the high school level.

Once submitted to the Area Offices, AMPS Office or Office of New Schools, SIPAAAs were reviewed to ensure that: areas in need of improvement were addressed, the stated targets and activities were consistent with trend analyses and analysis of current conditions, instruction was the focus, and plans were supported by schools' discretionary school improvement (state and federal) funds.

For schools in Corrective Action, the school's principal together with Chief Area Officer, AMPS Officer or Officer of New Schools selected one or more corrective actions from those enumerated under No Child Left Behind. They further ensured that the school's SIPAAA included the relevant details of those corrective actions plans and that funding was appropriated to those activities as necessary.

Monitoring of and support for these SIPAAAs and corrective action plans will be the responsibility of the Chief Area Offices, AMPS Office or the Office of New Schools with the assistance of the Office of Management and Budget, the Chief Performance Office, and the Office of Grants Management and Administration. The Chief Area Officer is authorized to modify a probation school's SIPAAA as necessary to correct deficiencies throughout the school year.

Copies of the fully executed SIPAAAs and corrective action plans are available in the Chief Area Offices, AMPS Office or the Office of New Schools.

FINANCIAL: Within budgetary appropriations.
